Paris - Vézelay

Trains in the direction of Vézelay depart from the small Paris Bercy Station, which is close to the much larger and more well-known Paris Gare de Lyon Station.

From Gare de Lyon to Paris Bercy Station it is about a 1 km walk, via the Rue de Bercy, or take the Metro, line 14 to 'Bercy' (the first stop after Gare de Lyon).

Attention: pickpockets, especially on busy platforms and in the trains of the subway!

Alternative: by Flixbus, from Bercy-Seine (bus station) to Auxerre (train station) and from there continue by train.
